

Welcome to the World of Nursing!

We look forward to hosting you on the Cleveland Clinic -NEONI Job Shadow Day!

Please read the attached page for important details. Please make special note of the fact that you must arrive no later than **8:00 a.m.** to be able to participate in the job shadowing experience – late arrivals negatively impact on the experience of the entire group. Please wear appropriate, yet comfortable clothes (no jeans please!). In order to offer you the best experience possible, we have chosen a variety of shadowing opportunities for example: Pediatrics, the Operating Room, Emergency Department, Medical/Surgical units, specialty advanced practice nursing, the Post Anesthesia Care Unit and several Intensive Care Units. Shadowing assignments will be made randomly. Feel free to change your assignment with another student, but no other accommodation can be made. Our Ambassadors, who will be mentoring you, have gone through a special training and are experienced in working with high school students – they all enjoy it and many of them have been doing it for the past several years! As our guest, we require that you follow all instructions and maintain a professional attitude for the duration of the day.

We look forward to meeting you and leading you on your exploration of Nursing!
