FLU SHOT REQUIREMENTS

Robinson Memorial Hospital has a mandatory flu vaccination policy for all employees, volunteers, contracted workers and shadow students.

Students wanting to shadow at Robinson Memorial beginning December 7 through April 18 must provide proof of receiving a flu vaccine for the current flu season either by:

- a receipt showing the student's name and detail of service from the provider
- an insurance benefits explanation or
- a detailed note from a physician

Students can bring their vaccine documentation the morning of their assigned shadow experience.

Those students who do not provide proof of receiving a vaccination will not be allowed to shadow.
