

High School Participation Form (To be completed by High School Counselor)

NEONI's Healthcare Career Shadowing Program provides high schools in Northeast Ohio with an organized shadowing program that can be offered to their students who have indicated an interest in a **healthcare profession**. The students will have an opportunity to shadow a healthcare professional in a NEONI member healthcare facility. High schools are notified of the pre-selected dates for shadowing and will receive all necessary instructions via e-mail. The counselors agree to follow all Healthcare Career Shadowing program guidelines and contact the NEONI office with questions at 216-255-3661.

If you are interested in participating in NEONI's Healthcare Career Shadowing Program, please complete this form and return electronically (sandra.touschner@chanet.org) or by fax (216.696.1837).
